The Moderator called for visiting brethren and Bros. T. B. Early and J. M. Norris, from the Buncombe County Association, were welcomed to a seat in the body.

Report on Periodicals.

For more than fourscore years, the Biblical Recorder has tried to be true to its name in every particular. It has stood for every movement that has meant the moral or spiritual uplift of our people.

It has been inspiring, edifying and helpful, unfolding and applying Bible truths; developing denominational consciousness, loyalty, and efficiency; presenting the various objects of benevolence; affording an impartial and serviceable medium for the interchange of news, experiences and opinions; magnifying the office of pastor and rallying his people around him in the Lord's work.

Every pastor should unceasingly work to the end that every family be a subscriber. Every member should co-operate heartily and a great campaign should be waged to more than double the circulation, that our people may be better informed, inspired and helped. At present we have only about fifteen thousand subscribers, which means that one family in six, among the North Carolina Baptists, read our organ. It can never reach its greatest usefulness until more widely circulated and read by our people.

REV. W. R. BEACH, Chairman.

After being ably discussed by Bros. W. R. Beach, J. D. Colley, C. E. Jervis and W. N. Martin this report was adopted.

The time having arrived for preaching, Elder W. R. Beach took the stand. Read for a lesson a part of the first chapter of Romans. Took for a text Romans, 1st chapter and 16th verse. After a wonderful sermon, the Moderator called for visiting brethren and Bro. John L. Welch was invited to a seat in the body from the Buncombe County Association.

Motion to adjourn till 1:30 o'clock.

Benediction by J. H. McCurry.

Dinner was spread in abundance by the good citizens of Zion Hill Baptist Church.

AFTERNOON SESSION.

Singing by the Zion Hill choir. Prayer by Elder J. H. McCurry.

Moderator called the house to order for the transaction of business.

Report on Education.

Education in its complete sense means the three-fold development of man: body, mind, and spirit. It is the state's province to develop body and mind and train our young people for the duties of citizenship, but spiritual culture must necessarily be left largely to our denominational schools. Our forefathers, recognizing this fact early in our history, began to establish and maintain our church schools.

In fact, the Church has always maintained schools. The Baptists have always stood for education. While they have always been friendly to the state schools and have patronized them and joyfully helped to maintain them, yet realizing that the work of the Church could best be promulgated by an educational leadership, they have established a system of schools throughout our country which have been a great blessing to the denomination and the country in general.

From these schools young men and women have come forth and entered the different professions and proved a blessing to our

country and an inspiration to all with whom they have associated.

This is the day of progress. Great strides are being made in every profession of life. The state is turning a great oprtion of her revenue into the equipment and maintenance of her public schools. For this we are thankful. But the need for our denominational school is as great today as ever before.

They need our sympathy, means, prayers and patronage. We have in our own vicinity and state, schools for which we should be thankful, and to which we can point with pride.

We recommend to our people Mars Hill College. It has a history of which we are proud. Its greatest assets are the hundreds of young people that have gone out from its walls to bless the people with whom they have labored. We also recommend Wake Forest and Meredith to all young men and women seeking a higher education, as secured to have in all this country.

W. J. GILBERT, Chairman.

This report being ably discussed by Bros. W. L. Gentry and C. E. Jervis, the report was adopted.

Motion to suspend the regular order of business and in the place of State Missions take up Orphanage.

Report on Orphanage.

The Baptist Orphanage at Thomasville was organized about twenty-nine years ago, and since that time it has been a recognized feature of our denominational work. Since that time we suppose there have been enrolled about 1,500 children, and for some time the yearly enrollment has been about 400.

During recent years needed new buildings have been erected which have improved the conditions wonderfully, and have told in the health and growth of the children.

We understand that the health record of the Orphanage is good, and that sanitary conditions have been improved, making the surroundings as healthful as is probably possible.

Good work is being done in the school. Some of the children enter higher schools and make good, while others secure positions and render good service.

The children are being trained along several lines of industrial work, preparing them to be useful and skillful in the service of the community.

Of course religious training is not forgotten. It is the purpose of those in charge to lead the children to Christ as soon as they are old enough to understand His claims upon them and their need of salvation.

The cost of supporting a child there is something slightly more than eight dollars per month, and we believe that the churches in this Association ought to assume the support of two children, and actually raise that amount each month. We feel that this would be as little as we could afford to set as the mark, and that, if we try, we can do it.

Let us have special collections for the Orphanage on or about

Thanksgiving Day, and gladden the hearts of those orphan children by gifts from large hearts and deep spiritual lives.

Brethren, the time has come when we should cease making reports, long and enthusiastic speeches, and shedding tears about the orphans unless we do something for them commensurate with our ability.

By subscribing for Charity and Children, and by paying for it, we can bring ourselves in touch with the work, and feel a deeper practical interest in it.

Respectfully submitted,

JOHN L. WELCH, Chairman.

After some good remarks by Bros. John L. Welch, J. D. Colley and A. W. Rymer, the report was adopted.

Report on State Missions.

One of the objects of this Association is to co-operate with the State Board of Missions in its work over our State.

In Eastern North Carolina there are many sections where there is very little Baptist preaching. Some counties are almost entirely destitute of the preaching of the Word.

While the churches in the east are developed in a higher degree than are the western churches along the lines of denominational work, that section has been evangelized in a far less degree than our own part of the State.

Cotton mills and other industrial enterprises are being erected with wonderful rapidity, and the number of people flocking continually to them has been in most places too large for the local churches to deal with the problems thus presented with the efficiency required without help.

Towns have rapidly grown in many places, and the demands of the times have called for more efficient men and methods than were formerly employed.

The churches in the west are undeveloped along the lines of denominational activities. They pay their pastors poorly in many places, and meagerly support missions and the Orphanage.

Our State Mission Board is laboring to meet these conditions and solve them in a way that will advance Christ's Kingdom.

It places efficient men on strategic fields, supplements salaries and by institutes is seeking to arouse our western churches to a knowledge of their duties and to reveal to them their real strength.

Hitherto our Association has done very little for State Missions. We feel that during the coming year, if we are spared to live, we should advance along this line.

C. E. JERVIS, Chairman.

After some interesting talks by Bros. C. E. Jervis and J. D. Colley, the report was adopted.

Motion made and seconded to adjourn till 9:30.

Committee on Religious Exercises report no services tonight, preaching tomorrow by Elder C. E. Jervis at 11 o'clock.

Dismissed by Elder Caney Chambers.

Reassembled according to adjournment.

Singing by the congregation, "I Must Tell Jesus." Prayer led by Bro. R. C. Morgan. The Moderator called the house to order for the transaction of business. Called for visiting brethren; there was no response.

Called for letters from other churches, but there were no letters presented.

Report on Home Missions.

We, your Committee on Home Missions, beg to submit the following report:

We concede that there is a great responsibility resting on us as a Missionary Baptist of the South.

Each year there are hundreds of foreigners landing on our shores. The only thing we can do is to meet them on the shore with open Bibles, and be prepared to teach them the pure and undefiled religion of our Lord and Saviour Jesus Christ.

F. M. McELREATH, Chairman.

Speeches made by Elders C. E. Jervis and W. N. Martin.

Report adopted.

Report on Foreign Missions.

The Foreign Mission Board of the Southern Baptist Convention is supporting missions in Africa, South America, China, Japan, Mexico, and Italy.

Last year we had in the Foreign Field 278 Missionaries, 380 churches, 5,252 baptisms, 542 Sunday Schools, 22,022 pupils in Sunday school, and an aggregate membership of 29,991.

These members contributed for church purposes $91,159.69, being more than $3.00 per member. These people just out of darkness and heathenism in their gifts put money of our churches in an enlightened land to shame.

The convention of 1913 placed the goal for Foreign Missions at $646,500, but we paid only $587,458.97, leaving a debt of $68,000 on the work.

In spite of this debt our churches paid $44,000 more than last year in face of financial distress and bad crop conditions in several states.

This amount of money was handled by the Board at a cost of 21 cents on the dollar. Three cents of this was interest on borrowed money.

If our churches were more prompt in heeding the calls of the Board for funds, we would save a large amount paid as interest on borrowed money.

During the year just passed we paid for this purpose the amount of $15,867.91.

Our Foreign Mission Board requests that each church have a strong Missionary Committee that will canvass the entire membership, and try to induce each member to pay a certain amount each week for this cause.

Our churches in this association should feel a renewed interest in this work, because God has laid His hand upon a young man almost from our own bounds, and has placed him in the great Foreign Field to preach repentance and faith unto the nations beyond the seas.

Let us remember that Bro. J. B. Hipps is in Shanghai doing his part to carry out the great commission. Let us do our part.

Respectfully submitted,

J H. McCURRY, Chairman.

After being ably discussed, by J. H. McCurry, J. D. Colley, R. C. Morgan, C. E. Jervis, and W. A. Martin, the report was adopted

The time having arrived for preaching, the congregation sang a hymn. After which Elder C. E. Jervis, the one appointed to preach to-day took the stand.

Read, for a lesson, a part of the 26th chapter of the Acts. The congregation rested from their seats and sang "Nearer My God To Thee;" after which prayer was led by Bro. D. J. Plemmons. Then Bro. Jervis took for a text 29th verse of the 26th chapter of the Acts. After a most spiritual sermon, full of Gospel truths and doctrines, Bro. J. M. Edwards led in prayer. Moved and seconded to adjourn till 1 o'clock. Dismissed by Bro. D. J. Plemmons.

Dinner was spread in abundance by the good sisters and people of New Found.

AFTERNOON SESSION, AUG. 6, 1914.

Singing by some of the brethren and sisters: "We'll Work Till Jesus Comes" and "How Firm A Foundation."

Prayer led by Bro. W. B. Clark. After which the Moderator called the house to order for the transaction of business.

Moved and seconded that we appoint a missionary in the bounds of the West Buncombe Association. Moved and seconded to elect a missionary by acclamation. Moved and seconded that Bro. J. D. Colley be the missionary. J. D. Colley was unaminously elected. Moved and seconded that Bro. Colley work under the direction of the Executive Board.

R. W. Poore, N. H. Waldrop, and E. W. Sluder compose the executive Board; these were elected for another year.

Report on Temperance.

We your committee on Temperance, wish to submit the following report: We are proud of the privilege of living in a prohibition state, but sorry of the inflow of strong drink which comes from our neighboring states.

We feel that there is a great work, yet, upon the church to stop this curse from our land, and our idea is "National Prohibition."

This can be done by helping our neighbor states, one by one, win the victory. We ask this body to work and pray to this end, we also ask for right thinking in this body in placing the law-making bodies in power.

N. H. WALDROP, Chairman.

Remarks by N. H. Waldrop, W. A. Martin, J. D. Colley, J. H. McCurry, and C. E. Jervis.

Report adopted.

Report on Sunday Schools.

It is believed that our Sunday schools are among the best in the state, also we have a good Sunday School Convention organized therefore it is not necessary to discuss this subject at length. We hope that our Sunday schools will co-operate and send a strong delegation.

We are against any move to unite our churches with international convention. We think we are strong enough to run a convention among ourselves.

We are in favor of the Southern Baptist preparation of lierature because they separate themselves from the interdenominational work, and we think their literature is clear and wholesome for our children to study.

We approve the method of our clerk regarding the statistical Sunday school table, and we hope it will be continued.

Some remarks made by W. A. Martin.

Report was adopted.

Report of Committee on Finance.

We your Committee on Finance submit the following report on minute money:
